Porzellan- Fabrikation

Porcelain Production and Handicraft

Seit über 60 Jahren stellen wir unsere große Porzellan-Kollektion selbst her. In Porzellan-Miniaturen sind wir die Einzigen in Deutschland. Unsere Aufmerksamkeit gehört dem Detail. Bis zu 17mal werden unsere Porzellan-Artikel während der Fertigung in die Hand genommen, gegossen, glasiert, bemalt und zum 3. Mal gebrannt, bis sie ihr typisches Reutter-Flair ausstrahlen. Dieses handwerkliche Können hat uns Freunde in der ganzen Welt gebracht

For more than 60 years we have been manufacturing our porcelain collections in our own production facility.

Our porcelain miniatures are the only ones of their kind to be manufactured in Germany. And we're famous for our attention to detail. During their manufacture our porcelain articles pass through the hands of as many as 17 skilled craftsmen: after casting, they are glazed, painted and then fired as many as three times to give them their characteristic Reutter look. It is this tradition of craftsmanship which has won us friends all over the world.

Depuis plus de 60 ans, nous fabriquons nous-même notre grande collection d'articles en porcelaine .

Et nous sommes, en Allemagne, les seuls à réaliser des miniatures en porcelaine. Nous apportons une attention particulière au détail. Nos articles en porcelaine passent jusqu'à 17 fois entre les mains des ouvriers, au cours de la fabrication, pour les mouler, les glacer, les peindre et les cuire à trois reprises, jusqu'à ce qu'ils rayonnent la brillante typique Reutter. Cette habileté artisanale nous a fait des amis dans le monde entier.
